Participating During a Public Comment Period

At certain times during the event, the facilitator may call for public comment. If you would like to make a public comment, click on the 'Q and A' button near the bottom, center of your WebEx session.

This will bring up the 'Q and A' chat box.

NOTE: The 'Q and A' button will only be available when the event host opens it during a public comment period.

To request time to speak during a public comment period, make sure the 'Ask' menu is set to 'All panelists' and type 'I would like to make a public comment'.

Attendee lines will be unmuted in the order the requests were received, and you will be allowed to present public comment.

NOTE: Your line will be muted at the end of the allotted public comment duration. You will be notified when you have 10 seconds remaining.
