COURT REPORTERS BOARD OF CALIFORNIA
FINAL STATEMENT OF REASONS - updated

Hearing Date: June 18, 2015

Subject Matter of Proposed Regulations: Scope of Practice

Section Affected: Title 16, Section 2403(b)(3)

Local Mandate

A mandate is not imposed on local agencies or school districts

Small Business Impact

This action will not have an adverse economic impact on businesses. The regulation change is technical in nature, intended only to clarify the definition of the scope of practice of court reporting.

Consideration of Alternatives

No reasonable alternative was presented nor was any identified by the Board that would be more effective in carrying out the purpose for which it was proposed or would be as effective and less burdensome to affected private persons than the adopted regulation or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The only alternative would be to leave the regulation as it exists. This is not an effective solution because the amendment has been proposed to clarify the original text, for the public, licensees and court reporting firms alike, as to what constitutes court reporting services to that the Board can act for enforcement purposes should a violation of law occur.
